SHORTHORN SALE

Monday, Feb. 28th, 1949—at the Farm, Eldorado, Ill.

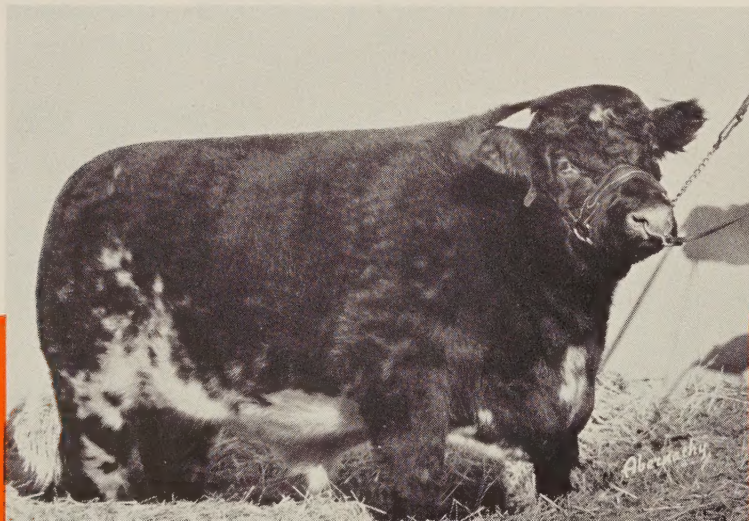

Sale Manager:

16 Locust Street,
Aurora, Illinois.

Sale Information

TIME — This sale will be held on Monday, Feb. 28, 1949, starting promptly at 12:30 p.m. Lunch will be served on the farm by the ladies of one of the local churches.

LOCATION — The sale will be held on the Carter farm at the northwest edge of Eldorado, just a half mile north of the town water tower. Eldorado, in Saline County, Illinois, is located at the junction of paved highways 45 and 142. It is seven miles northeast of Harrisburg, Illinois, which is located at the junction of paved highways 34, 45 and 13.

These routes are convenient to all who drive from points in the central states. Those coming from Kentucky and southern states can cross the Ohio River by ferry at Shawneetown, Illinois.

RAILROADS — Folks coming from the north and east by train can get accommodations to Eldorado on the Big Four. Folks from the south and west can get accommodations to McLeansboro, Illinois, on the L. & N. Trains will be met provided Mr. Carter is notified in advance. Advance notice is also requested from those desiring overnight accommodations in Eldorado.

For those who find Evansville, Indiana, easier to reach the evening before or morning of the sale, reservations can be made for the Hotel McCurdy by getting in touch with A. A. Brentano, Keller-Crescent Co., Evansville 8, Indiana. Transportation from Evansville to Eldorado will be provided.

AUCTIONEERS — J. E. Halsey, Des Moines, Iowa; Hamilton James, Newton, Illinois, and Elmo Gholson, Eldorado, Illinois.

At left is Sunset Bounce, first bull calf by Cruggleton Bounce. The calf was sold to B. Hollis Hanson, Connersville, Indiana, at the sale's top figure of \$5,000.

Cruggleton Bounce, Sire of the Year

Cruggleton Bounce, whose picture and pedigree appear on succeeding pages, now has about 40 calves at SUNSET FARMS. His first bull calf, SUNSET BOUNCE, was Grand Champion at the Illinois State Fair last year, and paired with his half sister, won the Pair of Yearlings, and Best Male and Female of the entire show. At the Great International in Chicago, SUNSET BOUNCE was Reserve Champion, and his sister, SUNSET LADY ROSEWOOD 6th, won her class. These two, together, won first on Summer Yearlings, first on Best Male and Female of the entire show, and then, shown with two more of their half sisters, won the Get of Sire, which we feel is the highest honor to be awarded any breeder. Also, we then won the best pair of bulls. All in all, we won six blues and a purple on 7 cattle shown at the International, and 6 blues and a purple on four cattle shown at the Illinois State Fair.

I believe this is the best record ever made by a Shorthorn breeder at these two shows, considering the fact we showed so few cattle. When you see Bounce's calves on sale day, we believe that we will be able to prove to you that this was no accident.

Above is Stan Carter and his dad, Otis, with Sunset Bounce, record-making son of Cruggleton Bounce, Imp. Watch the Bounces continue to bounce.

CRUGGLETON BOUNCE (Imported)

On this and the next pages, you will find general descriptions and pedigrees of three of our great herd sires. We believe that after you have looked them over on sale day, you will agree that the progress of this herd will be even faster in coming years.

CRUGGLETON BOUNCE is shown here as a four-year-old, in working clothes. He was the second Reserve Champion at Perth, Scotland in 1946. He is sired by CRUGGLETON AIRCRAFT, he by CRUGGLETON PERFECT. CRUGGLETON PERFECT calves averaged 1,680 guineas (\$7,140) at Perth in 1944. All females by him topped Aberdeen sales of 1943 and the Perth sale of 1944. He also sired BEAUFORT BACKSIGHT, that sold in the Argentine for \$48,000.

BOUNCE'S dam, RITA BEAUTY, was by CRUGGLETON WILLINGDON by CRUGGLETON CAPTIVATOR by CRUGGLETON ESSANDER by CRUGGLETON COLONEL. We consider CRUGGLETON BOUNCE as one of the best bulls to come over. He's about perfect in his make-up and breeding — very low down, thick, and with good top and bottom lines, full sprung ribs, splendid heart girth and a real set of shoulders.

There will be twenty or more females bred to this great bull for our sale, February 28, and these matings should produce some mighty good calves.

BURNTON CHANCELLOR is a dark red son of BAPTON COMMANDO by BAPTON UPRIGHT by BAPTON AIR PILOT. His dark red dam is by GARVOCK by CLUNY BRAVE COMMAND. BAPTON UPRIGHT grandsire of CHANCELLOR sired the supreme champion at Perth in 1946, and came to the Snj-A-Bar Farms for over \$63,000. But in addition to his breeding, you will like his good head, excellent conformation and masculine character.

We are putting a lot of good females and three excellent bulls in this sale, sired by BURNTON CHANCELLOR, Imp. All are of good color, good type and are good

doers. There has never been any of his calves on a nurse cow, but I believe that when you see them here, you will feel like many other breeders who have seen them, that if they had been fitted, they would also have made excellent show cattle. A

great many of these heifers are carrying the services of CRUGGLETON BOUNCE, Imp. While I haven't had any calves from this mating as yet, I feel that from these great imported bulls, they will be tops, and I am anxiously awaiting their arrival.

I want you to become acquainted with our Junior Herd Sire, BAPTON COMMANDO 3d, imported in dam, sired by BAPTON COMMANDO by BAPTON UPRIGHT by BAPTON AIR PILOT. Dam is KAIR ELIZA by BALLECHIN DUTHIE by CALROSSIE SILVER WEDDING. BAPTON COMMANDO stood second at the International last year as a Junior Calf.

We purchased his dam from George Anderson of Scotland and had her bred to BAPTON COMMANDO, hoping for a bull calf that we could use on CRUGGLETON BOUNCE'S heifers. We got just what we wanted. By the looks of his pictures and the general conformation of this calf, we think we really have something. The Anderson Brothers from Scotland, while vis-

iting us last December during the International Livestock Show, said, "Carter, there is the best COMMANDO calf we have ever seen sired by BAPTON COMMANDO, and in Scotland BAPTON COMMANDO is considered the best breeding bull ever sired by BAPTON UPRIGHT." We have so many outstanding bull calves from BOUNCE, (too young to take their pictures) to select our next junior herd sire from, to mate to CHANCELLOR heifers, that we will have to wait until later to make that announcement. From the pictures you will see on another page of this catalog, of a few of BOUNCE'S calves, it might not cause too much concern in making this selection.

We extend a cordial invitation and hearty welcome to every lover of top ranking Short-horns to be our guest at CARTER'S on Monday, February 28, 1949.

The Welcome Mat Is Ready

While this is only our third sale at the farm of Otis A. Carter & Son, consisting of almost entirely our own cattle, the confidence of the buying public in all previous consignment sales has made us more determined to present in this offering, the best lot of cattle that has ever been assembled for auction.

We are confident that this offering is our BEST both in bulls and females.

While we have only eight head of bulls in the sale, and 35 females, they are the best we have

ever offered, and are from the most talked-of herd of the year.

The worth of three great imported sires of CHAMPIONS will be apparent in their offspring. Let their record speak for itself, and what a record it is! At the International in Chicago, we walked away with Reserve Champion Bull, Best Pair of Yearlings, Best Pair, Male and Female, of the entire show, Best Pair of Bulls. In all, six blues and a purple out of seven head shown. At the Illinois State Fair, we had Grand Champion Bull, Best Pair of Yearlings, Best Pair, Male and Female, of the entire show, and in all, six blues and a purple out of four head shown. Both were records for those great shows. However, the award of which we are most proud was winning the Get-Of-Sire in Chicago. Any breeder relishes that honor.

There can be no doubt that the cattle in this sale will make a lasting contribution to Short-horn Advancement. They represent a culmina-

Otis A. Carter

tion of our best efforts to that end, over a span of 15 years. We present them with confidence that their buyers will be our friends and boosters for SUNSET FARMS in years to come.

A little over 31 years ago, I started in the chicken business with a rooster and four hens. Even then I was convinced that quality stock would pay out best in the long run, so those chickens were just about as good as I could find. From that beginning has grown a hatchery business of sizable proportions, based as always, on the best stock it was possible to produce or buy.

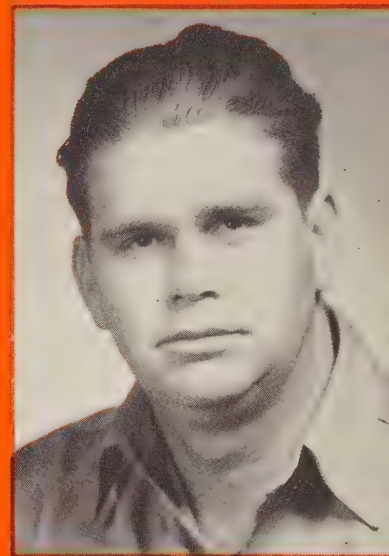

When my son, Stanley, became old enough to take an interest in the firm's progress, he became more interested in cattle than in chickens. So it was that Stan and I decided to breed Shorthorns. We chose Shorthorns because we believed the Reds, Whites and Roans had more to offer the practical farmer than any other breed. And, of course, we started with absolutely tops in breeding stock, and have steadily improved, un-

til today the SUNSET herd, we believe, can be considered a leading one in the breed.

Quality First, Now As Always

Many of you know Stan from the show circuit. Many more have met him at the various sales throughout the country, which he religiously tries to attend. Since his discharge from service, he has assumed the management of both our cattle farm and grain farm, and is doing a bang-up job of both, and I know that when I decide to retire from active business, SUNSET FARMS will be in very efficient hands to carry on the wonderful job now being done.

Otis A. Carter

Stanley G. Carter

Here is a nice little group of CRUGGLETON BOUNCE's late summer and early senior calves. Note how well balanced they are. Note the color and uniformity of each calf. Did you ever see better heads? A side view of the calves on sale day will surely convince you of CRUGGLETON BOUNCE's breeding ability.

History Is Being Made Here

The Otis A. Carter & Son winnings at the 1948 International Live Stock Exposition were so sensational that this herd immediately jumps to a position in the topmost ranks. To pile up a total of six first prizes and a championship on a show herd containing only seven head is a feat that will go down in history. And the fact that four calves by one bull were largely responsible for these winnings is nothing short of a miracle. After watching the four calves by Imp. Cruggleton Bounce win the most important award of the show . . . first prize in the get-of-sire class . . . my first impulse was to visit Sunset Farms as soon as possible for an inspection of the rest of his calves. This visit on December 14th convinced me that the breed is fortunate to have such a sire and that Carter & Son are very fortunate to own him. The only four calves old enough to show were exhibited at Chicago. Some three dozen others . . . born in the late Spring, Summer and Fall of 1948 . . . are now being developed and they are a delight to see. All seem

to display future show ring promise. All are alike in color, type and conformation. All have heads that denote great breed character. All are compact, deep bodied and short legged, yet they have the bone and scale that is so very necessary in good seed stock.

On the heels of their great showing in Chicago, I am surprised that Carter & Son would list so many heifers bred to Imp. Cruggleton Bounce in their February 28th sale. However, the sale was planned many months ago and the owners are going to stay with their plans. Twenty beautiful heifers, many of them daughters of Imp. Burnton Chancellor and Imp. Tolquhon Marshall, were already well forward in calf to him at the time of my visit in December. A dozen others are being mated as they reach breeding age. This will truly be a Cruggleton Bounce sale . . . and those who saw his calves at the International or who will study the ones that will be on display on February 28th will certainly agree that this will be a great buying opportunity. To add to the buying opportunities, Carter & Son have invited consignments from one other strong neighboring herd. Dr. E. M. Travelstead who bred and exhibited the champion bull at the 1948 International-Congress Sale will sell two bulls, and five heifers, all by the sire of the champion.

One of the principal duties of a *Shorthorn World* fieldman is to keep acquainted with the best sources of supply for top seed stock and to acquaint the public with his findings. I am glad to place my hearty stamp of approval on this offering of 50 royally bred Shorthorns. Those who buy on February 28th will improve their positions in the industry.

Hal Longley
of *The Shorthorn World*.

Sale Information

MAIL BIDS — Those unable to be present and who desire to take advantage of the buying opportunities in this sale, may do so by sending buying orders to Hal Longley of "The Shorthorn World," Clinton K. Tomson of the American Shorthorn Breeders' Association, or to any of the auctioneers. Mail or wires may be addressed to these men in care of Otis A. Carter, Eldorado, Illinois.

GUARANTEE — All cattle in this sale will be sold under the standard guarantee endorsed by the American Shorthorn Breeders' Association. Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after the close of the sale without trouble to the purchasers, but cattle will be at buyers' risk as soon as bid off. Every precaution will be taken to see that animals arrive in sound and healthy condition.

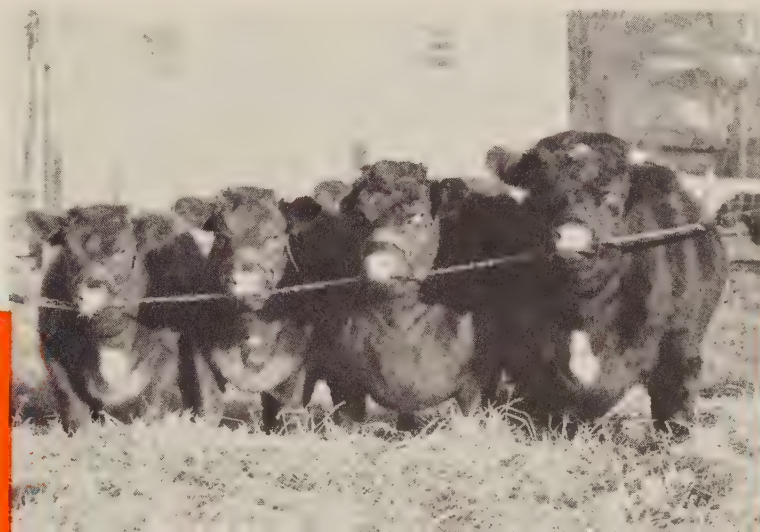

HEALTH — This herd is Federally Accredited for Tuberculosis. We believe in calfhood vaccination for Bang's

Here are shown the calves by Cruggleton Bounce that won the coveted Get-of-Sire award at the world-famous International Live Stock Exposition in Chicago. It is no exaggeration when we say that all of Bounce's calves are of like quality.

Disease and almost all cattle in this sale have been so vaccinated. All have passed clean tests for Bang's within 30 days of the sale and health certificates will be furnished sale day.

TERMS — The terms of this sale are cash.

LIABILITY — The above terms and guarantee constitute a contract between Otis A. Carter & Son and the buyer of each lot. Neither the sale manager nor the clerk of the sale assume any liability whatever. Although every precaution will be exercised to provide for the comfort and safety of our guests, we will not be responsible for accidents that may occur.

SUNSET BOUNCE 6th is a dark red son of CRUGGLETON BOUNCE from a dark roan Imported CLIPPER cow by CAL-ROSSIE BENEFACITOR. She is quite a good cow and a heavy milker. SUNSET BOUNCE 6th resembles SUNSET BOUNCE, the Reserve Champion, very much, at the same age. He is a Junior Yearling and should make a wonderful show bull as well as a good breeder. He is evenly covered with a nice silky coat of hair. Good spring of ribs, good hindquarters, and the good head that all of BOUNCE'S calves have. One good look at this calf will convince you that he is the right kind.

COME TO CARTER'S FOR WORLD'S BEST BLOODLINES

BAPTON COMMANDO 4th, imported in dam, is a dark red son of BAPTON COMMANDO by BAPTON UPRIGHT by BAPTON AIR PILOT. BAPTON COMMANDO is considered the best breeding bull by UPRIGHT in Scotland today. This is quite a calf. He stood 2d in the three-bull group at the International in Chicago in December, and is coming like a house afire. His dam is imported, a dark red cow by CALROSSIE FEARLESS by CALROSSIE CONTROL. So what a breeder he should make. By all means he should go into a very strong herd in order that he may prove his worth. He is very low down, with a good head, neck and shoulders. He has an exceptionally good broad rump, and stands well on four short stubby legs. Don't overlook this prospect, as you may want to show him this year as a Junior Yearling. Very seldom do you ever have an opportunity to buy a calf that is so outstanding and so well bred, imported in dam, as you have here.

COME TO CARTER'S FOR CHAMPIONSHIP QUALITY

SUNSET BOUNCE 7th. Would you like to own a BOUNCE calf like SUNSET BOUNCE, the Illinois State Fair Grand Champion, and Reserve Champion at the International? If you do, this is the one to buy. He comes from an AUGUSTA family by old BRAWITH BOY of SUNSET, a bull that made the SUNSET FARMS what they are today. SUNSET BOUNCE 7th is the shortest legged calf ever to drop at SUNSET FARMS. He is deep, wide and well balanced in every way, and has one of the shortest legged, chunkiest mothers on the farm. While he is quite young, you will find no better calf offered this year.

SUNSET BOUNCE 8th is a dark red son of CRUGGLETON BOUNCE by CRUGGLETON AIRCRAFT, who went to the Argentine for 3,000 Guineas, by CRUGGLETON PERFECT, the great breeding bull in the herd of A. J. Marshall. SUNSET BOUNCE 8th is from a good dark red BRIDESMAID cow by KILLEARN BEAUTY LAD, also dark red. This summer yearling calf was picked for our show herd this year, but due to some younger bulls on the farm not old enough to sell, we have decided to put him in. So, whoever gets him will be a mighty proud owner.

COME TO CARTER'S FOR THE EASY FEEDING KIND

SUNSET BOUNCE 9th is a BOUNCE calf that will keep on bouncing for a long time to come. He is dark red, from a dark red MYRTLE cow by old CRUGGLETON BUGLER that came over to Canada and was considered one of the best breeding bulls of all times. Note that eight of the animals in his pedigree carry Bertie Marshall's name. Gee! What a pedigree this calf has! He is equally as good as his paper denotes. He is quite a calf and should go into a herd that is interested in carrying on.

What a Pedigree This Youngster Has!

COME TO CARTER'S FOR WORLD'S BEST BLOODLINES

SUNSET CHANCELLOR 9th is by BURN-TON CHANCELLOR, Imp. Dam is a dark red ROSEBUD, Imp., by CRUGGLETON ADJUSTER by CRUGGLETON PERFECT, which makes about as perfect a pedigree as you could write. CHANCELLOR 9th is one of the outstanding red calves in the sale. He has about everything you could ask for. Low-down, with heavy bone, good head, good top and bottom lines, real spring of ribs. This calf has lots of admirers and should make some Shorthorn breeder very happy by owning him.

SUNSET CHANCELLOR 10th is a dark red son of Imp. BURNTON CHANCELLOR by BAPTON COMMANDO by BAPTON UPRIGHT. UPRIGHT is the sire of PITTO-DRIE UPRIGHT that came to the Sni-A-Bar Farms at about \$63,000. The dam is a dark red LOVELY BELLE by BRAWITH BOY OF SUNSET, and a good one. CHANCELLOR 10th has a perfect head and neck, nice smooth back and tail setting. He is very deep, with an unusually good twist and in fact, is just a good bull from head to tail. It will pay you to give this calf a close inspection sale day, as the LOVELY BELLE family has produced more winning calves than any other family on our farm.

COME TO CARTER'S FOR FINEST MODERN TYPE

BURNTON CHANCELLOR 4th is a dark roan January son of **BURNTON CHANCELLOR, Imp.**, from a dark roan **ROSEWOOD** cow that we showed very successfully in 1946. She stood up well as a Summer Yearling and was made Reserve Champion at the Ohio State Fair. Being by **BRAWITH BOY OF SUNSET** makes him even better. This calf should live up to this wonderful reputation.

SUNSET LADY ROSEWOOD 6th is CRUGGLETON BOUNCE's first heifer calf. She stood with SUNSET BOUNCE, first son of CRUGGLETON BOUNCE, as best Pair of Yearlings and Best Male and Female at both the Illinois State Fair and the International. At Chicago, she also won the Summer Yearling class and was in the first get-of-sire. Her sire, CRUGGLETON BOUNCE by CRUGGLETON AIRCRAFT by CRUGGLETON PERFECT was a great Show Bull, being picked as the Second Reserve Champion in the great Perth Show and sale in 1946. He defeated 390 other bulls for that honor. Her dam, SUNSET LADY ROSEWOOD 3d, traces back to old CRUGGLETON BUGLER, the greatest breeding bull ever imported to Canada in his time. If you want to show this

heifer this year as a two-year-old, I believe you will have the best two-year-old to be shown anywhere. We debated a long time before we decided to put her in the sale, but at the last moment we de-

cided to put her in as an attraction. Whatever she brings you can bet your bottom dollar she will be worth what she cost you, as she is by far the best female ever born at SUNSET FARMS.

COME TO CARTER'S FOR WORLD'S BEST BLOODLINES

Here is a heifer, if bred by some of the big breeders in America, that you couldn't buy at any price. She is sired by Imp. GLASTULLICH CELTIC by LAWTON PRESIDENT ROOSEVELT by COLLYNIE STATE EXPRESS. Her dam is ORCHARD LUXURY 18th Imported by MILLHILLS ZAMBESI by CLUNY CROWN DIAMOND. As good a pedigree as you could ask for. Please ask to see her half brother by BOUNCE when you arrive. We are planning on showing him this year and if he keeps coming as he looks now, he will be a better bull calf than SUNSET BOUNCE was in 1948. She is well along in calf to CRUGGLETON BOUNCE and whoever buys her might have something that money can't buy. All in all, this is a real heifer from a good sire and dam, and bred to a pretty good bull.

COME TO CARTER'S FOR CHAMPIONSHIP QUALITY

O.K., here is the other CRUGGLETON BOUNCE heifer, and what a heifer she is! None better, according to my judgment, ever walked into a sale ring. She is very low down, with good head and neck, good rump, and a perfect flank. Sure a mellow little girl and stands very well on four short legs. She is from an Imp. ORANGE BLOSSOM cow by CRICHTON AMBROSE by CALROSSIE COMMAND. I consider this heifer able to go out and win in the very hottest of competition. Take a look at her and buy a half sister to the Reserve Champion Bull at Chicago, and the get of sire that was undefeated in 1948.

SUNSET LUXURY 1st is the first heifer ever offered for sale from CRUGGLETON BOUNCE, and there is only one more to be offered in the sale. She is ORANGE BLOSSOM OF SUNSET 2d, in Lot 11. Really, I am wondering if any other breeder in the United States would pull such a bonehead. I have argued with Stan and Hezzie ever since I came back from Chicago about offering these two. They say NO. I contend if we expect a good sale we must have something entered worthwhile. And if there ever was a pair of better heifers offered, I personally would like to see them. Look at their pedigree, both by Imported Sires and Imported Dams.

COME TO CARTER'S FOR WORLD'S BEST BLOODLINES

Here is quite a heifer by **KLAYMOR GAFFER** by **COLLYNIE ROYAL BARRAGE**. Dam **LADY VENUS A. 4th** by **CRUGGLETON ACHTOI** by **COLDOCH SILVER WEDDING**. **CRUGGLETON ACHTOI** needs no further introduction due to the great record shown in the Roy Arnold herd. She is well along in calf to **CRUGGLETON BOUNCE**, the sire of the calves that carried off more blue ribbons at the Illinois State Fair and International than ever before in the histories of those shows, for the number of cattle shown. Carefully check her on your list.

COME TO CARTER'S FOR CHAMPIONSHIP QUALITY

How would you like to own a good even roan Junior Yearling heifer from Imp. BEAUFORT BONSPIEL by BAPTON BATTLESHIP by BAPTON AIR PILOT? The dam is an imported Orange Blossom by CRICHTON AMBROSE by CALROSSIE COMMANDER bred to Imp. CRUGGLETON BOUNCE. Don't you think a pedigree like this on both mother and calf would look good in your herd? I know this pair would look good in your herd, so let's take advantage of this opportunity and start the improvement of your herd. Not only will you like this individual, but her breeding as well.

COME TO CARTER'S FOR CHAMPIONSHIP QUALITY

Here's a nice red deep-bodied heifer that you will admire. She is by BRAEDDOON ARISTOCRAT by COLLYNIE ROYAL BARRAGE, the great breeding bull Jimmie Russell of Canada imported. Her dam is by old CRUGGLETON BUGLER, bred by A. J. Marshall. You'll recall that at his best his get was seldom ever beat. James Douglas boasted many times in those days of bringing over the best bull ever imported. SUNSET MYRTLE is well along in calf to BURN-
 TON CHANCELLOR. All who have bought heifers bred to CHANCELLOR before, report the calves are outstanding. Roy Arnold reports a wonderful red heifer calf from him. So does Burt Johnson and Hollis Han-
 son. Look her over, for you might acci-

ROSEWOOD OF SUNSET 10th is from a half sister to the dam of SUNSET LADY ROSEWOOD 6th, that won her class in Chicago and was also in the undefeated Pair of Yearlings and undefeated Best Male and Female, at both the Illinois State Fair and International. She was also in the first Get of Sire in Chicago. Sired by BURNTON CHANCELLOR, Imp., a fact which doesn't hurt the family reputation a bit. Anyway, she is plenty good and will stand the closest inspection. Being a Junior Yearling this year, I believe that she can stand all the competition anyone can give her. She deserves a close inspection on sale day.

Red, Calved September 28, 1947. Bred and owned by Otis A. Carter & Son, Eldorado, Illinois.

Any time you have a chance to buy a heifer by BURNTON CHANCELLOR by BAPTON COMMANDO by BAPTON UPRIGHT, don't let her get away from you. When you see his calves here on sale day, both males and females, you will want one I am sure. AUGUSTA SUNSET 14th is a very good low down, dark red heifer, with a good head, short neck, balance and good fleshing. In fact, anyone would like to own her. Her dam is by EDELLYN SULTAN ROYAL by SULTAN BROWDALE and that certainly doesn't hurt her any either.

COME TO CARTER'S FOR THE EASY FEEDING KIND

At left is shown the get of Cruggleton Bounce, placed first in the get-of-sire class at the International Live Stock Exposition, Chicago. Two members of our get-of-sire entry, Reserve Champion Cruggleton Bounce and Sunset Lady Rosewood 6th (below), won their separate classes, plus every group class in which they were entered. All of Bounce's get are of like quality. In fact, breeders visiting our herd say that ours is the best lot of young calves they have ever seen in one herd and that CRUGGLETON BOUNCE might easily prove to be the best breeding bull ever to be imported. I don't think I should close these few remarks without quoting a few lines from Bertie Marshall, of

Scotland. "Carter, I certainly want to congratulate you and Stanley on the wonderful showing you made at Chicago on the Get of CRUGGLETON BOUNCE. You will recall that I told you and Les Mathers that this bull could prove to be the best breeding bull of all times. I too retained a half brother to him, CRUGGLETON BRAEMAR, and without a doubt, he is the best breeding bull I have ever owned. I just sold one of his bull calves privately to Lord Lovat for 4,000 pounds, or slightly over \$16,000 in your money. He purchased this calf for a stock bull." We are very happy to have these words from Mr. Marshall, and glad to pass them on to you.

A message from Dr. E. M. Travelstead, Harrisburg, Illinois
ABOUT THE HILL CROFT FARMS AND THEIR CONSIGNMENT

We have been in Shorthorn Cattle business for the past 15 years. At present we have 40 brood cows, and two herd bulls. Hill Croft Farms consist of 500 acres of good earth in Gallatin County, where we produce abundant crops, and finest quality shorthorns.

Our herd bulls are *Marrelbar Footstep* and *Royal Clipper*. *Marrelbar Footstep* is the grand old boy who has done himself proud, since his first calves started to arrive. He produces nothing but the best of dark red colors, and real outstanding cattle. They are proving themselves every day in state and International sales. They are good cattle to raise, easy to feed and easy to sell. So long as we can keep *Footstep* in step, we will be in step with Shorthorn cattle.

In December, 1947, we purchased *Royal Clipper* at the International in Chicago. He is a good dark red calf that won his class in some real competition at the show. We are now mating him to the heifers of *Footstep*.

Royal Clipper is a grandson of Killearn Max 5th, the sire that is doing such a grand job for Claude

Gallinger of Canada. We feel certain that with this mating, we will produce good cattle of the best type, conformation and color.

We are glad to sell with Mr. Otis Carter and son, Stanley, in this sale at Eldorado, Illinois. You will find nothing but the best in this sale.

The Hill Croft Consignment

We feel that we have never offered a more valuable group from our herd than the seven that are included in this sale.

They are all sired by *Marrelbar Footstep*. One heifer will be bred to the red imported bull, Sultan Viking, that sold for \$3,100 in the Chicago sale to Mr. Paul Halbersleben of Harrisburg, Illinois.

We are proud to offer the following 5 females and 2 bulls under the name and guarantee of Hill Croft Farms.

HILLCROFT VICTORY is a half brother to the 5 females and two bulls entered in this sale. He was entered in the International Congress Sale and was made Grand Champion of the Sale Cattle and was sold to Mr. Henry Deits of Kansas for \$3,750. The heifers and bulls in this sale are all of the same color, same type, same general conformation and are by the same sire, MARRELBAR FOOTSTEP by KLAYMOR FOOTPRINT by COLLYNIE ROYAL BARRAGE. All his other calves are of the same quality and I know you will like them on sale day.

HILLCROFT PILOT 2497443 Tattoo LE RE T45

Red, Calved April 18, 1948. Bred and owned by E. M. Travelstead, Harrisburg, Illinois.

HILLCROFT PILOT is dark red, short and thick, and a very good headed bull. This calf, while quite young, carries the same type and character as his half brother that sold at the Chicago International Sale for \$3,750. Some of the bigger breeders like this calf better than the Grand Champion in the Congress Sale.

HILLCROFT EMPEROR 2497441 Tattoo LE RE T46

Red, Calved April 21, 1948. Bred and owned by E. M. Travelstead, Harrisburg, Illinois.

HILLCROFT EMPEROR is another good dark red son of FOOTSTEP by FOOTPRINT by COLLYNIE ROYAL BARRAGE. The dam is of the ORANGE BLOSSOM family, one of the outstanding females on the farm, by KLAYMOR FIREMAN by COLLYNIE ROYAL BARRAGE which makes him a double-bred BARRAGE calf, and a good one. Look him over on sale day.

We could say a lot about the MYRTLE family that F. H. Deacon & Son has in their herd in Canada. HILLCROFT MYRTLE is another dark red daughter of MARRELBAR FOOTSTEP. His calves are all red and you will be hearing a lot about them. This is one of the good ones in the sale and is also a half sister to the VICTORY Bull calf that was Grand Champion Bull at the Congress Sale and brought \$3,750. Vaccinated for Bang's.

Sunset Bounce, Reserve Grand Champion at the recent International Live Stock Exposition, topped the Chicago sale at \$5,000. Shown here with Sunset Bounce (left to right), are Hollis Hanson, the new owner, Stan Carter and Bert Johnson. We are confident that the new Hanson herd bull will carry on the wonderful record of his sensational sire, Cruggleton Bounce.

▲
Above is shown "the gang" at Sunset Farms. It has been the loyal, conscientious effort and real cattle "know-how" of these men that has made possible the outstanding progress of the Sunset herd. From left to right, they are: Otis A. Carter, Laurence Brocket, Stanley G. Carter, Hezzie Lyons, Ed Mathieu, Carl Hargraves, Hank Davis and Rusty Roberts.
